*Updated w/ SY 16-17 dates 2/3/16

Pursuant with HTA's Attendance Policy, if a new or returning student misses more than five days of orientation, online work/class or face-to-face class during the first month of school, without a valid excuse approved by the school administration and documentation such as a doctor's note, the administration may, at its discretion, un-enroll the student. It is the responsibility of the truant family to complete withdrawal paperwork and to identify the child's selected school or homeschool program.
