Dr. Stacey Bobo, Executive Director  
Hawai'i Technology Academy  
94-450 Mokuola Street, Suite 200  
Waipahu, Hawai'i 96797

Dear Dr. Bobo:

This letter provides formal confirmation that Hawai'i Technology Academy is a state entity of the State of Hawai'i.

Pursuant to state law, public charter schools in Hawai'i are public schools and entities of the State. A public charter school is a public school that holds a charter contract to operate as a charter school. The State Public Charter School Commission entered into its current charter contract with Hawai'i Technology Academy with a term commencing on July 1, 2017 and terminating on June 30, 2022. Additionally, the Commission has extended this current contract for an additional year through June 30, 2023 due to the COVID-19 emergency. As such Hawai'i Technology Academy is an entity of the State.

Hawai'i Technology Academy has been compliant with the terms and conditions of its current contract and the Commission anticipates future renewal of its next contract, contingent upon continued performance on its current contract.

Sincerely,

A handwritten signature in blue ink, appearing to read "Yvonne W.M. Lau".
